

# Exciting time for Dentist Job Search

After much consideration, time and effort, Dentist Job Search has launched their new and much anticipated website: [www.djs.com.au](http://www.djs.com.au)

Despite the aesthetic and functional improvements, the new site was designed to make navigation as simple and user friendly as possible – splitting the site into DJS's three main business units:

## **JOBS:**

DJS has the largest repository of dentist jobs, with over 400 dentists currently registered as looking for work (either full time, part time, locum, regional or metropolitan) and 285 dentist jobs currently advertised.

## **PRACTICE SALES:**

DJS has nearly 200 buyers currently registered as looking for a practice to buy and 50 practices currently listed as for sale.

## **WORK DOWN UNDER:**

DJS has nearly 125 dentists from

The screenshot shows the DJS website interface. At the top, there are three main navigation tabs: 'Jobs', 'Practice Sales', and 'Work Down Under'. Below these are sub-categories: 'Job listings', 'Practice Sales', and 'UK and NZ qualified'. A 'Just added' section on the right highlights a 'Latest practice for sale'. The main content area features a search bar and a 'My search ends here' section with text about DJS's services. Below this is a 'Hot Jobs' section with several job listings, each with a thumbnail image and details like location and salary. A 'Practice Sales' section is also visible on the right. At the bottom, there are promotional banners for 'CREATE YOUR DREAM PRACTICE', 'WANTED: Volunteers', and 'FILLING THE GAP'.
