

Prime Speaker a highlight at IACA

Following the success of Prime Practice's PrimeSpeak 3-day Seminar in Australia

and with LVI in the US, Dr Michael Sernik was invited to speak at the International Association of Comprehensive Aesthetics (IACA) conference in Orlando, Florida in early August. Speaking to a crowded room of US dentists at the top of their game, Dr Sernik's presentation was deemed a highlight, and has led to sold out PrimeSpeak 3-day Seminars for the remainder of 2008 in the US.
